

Cedeno's Pharmacy

Cedeno's Pharmacy doesn't just serve patients, in many cases we have actually served generations of patients. With 75 years of experience, we have made ourselves always accessible to you and your family for all your prescription and pharmaceutical needs.

Because A Pharmacist you know is a pharmacist you trust, our pharmacists are always available to answer questions. For an added convenience, the pharmacist behind the counter is the owner. Our pharmacists do not answer to corporate headquarters they answer to you.

Cedeno's pharmacy is specialized in complex and chronic disease management. Our staff is expertly trained and dedicated to creating an expedited hassle free care journey for each patient.

Cedenos Pharmacy offers Health Clinic programs: Diabetes Day, Smoking Cessation, Medication Review, Nutrition Information, Nutrition & Weight Management and Immunizations. Call 732-442-4478.
